### NEW LIMOUSINE DRIVER

Paws In Time would like to welcome our new shuttle driver, Gerry Mundelius. He lives in West Chicago with his wife Kim, their 140# French Mastiff "Cheyenne" and a bird named "Ozzie". He is great with the dogs, and will also be working on the daycare floor with them as well. Please take advantage of our pick-up and drop off services at your convenience.

### EMPLOYEE OF THE MONTH Julie Condron

Our employee of the month for March is the owner of Paws In Time, Julie Condron. This is Julie's 7th year running this facility. Her "lucky number seven year" goal is to continually progress and just "let dogs be dogs" at her facility. Julie has many years of experience working with and training dogs and is a great go-to person for your questions regarding your dogs. Julie has worked specifically with Brittany's for many years and has produced many champion and show dogs. In addition to her daycare and boarding facility, Julie offers training classes after hours at Paws In Time as well as in-home training to allow your dog to reach his/her full potential.

### MARCH DOG OF THE MONTH: OSCAR HINCK

Oscar Hinck is a 3 1/2 year old schnoodle who has been coming to Paws In Time since he was 9 months old. He is loving and cuddly and always brings a smile to our faces. Oscar loves head scratches and running around with all of his doggy pals. If you see Oscar, give him a scratch and say hello.

### FUN RECIPE: BEEFY BISCUITS

2 cups whole wheat or all-purpose flour  
1 cup cornmeal  
1/4 cup wheat germ  
2 tsp. beef bouillon powder  
1/2 tsp yeast extract (adds meaty flavor)

Mix ingredients in a medium bowl. Add: 1 large egg, 1 Tbsp cooking oil and 1 cup hot water. Stir well. Roll out on a well-floured surface to 1/2 inch thickness. Cut into bone shapes and bake on ungreased cooking sheet at 275 degrees for 2 hours. Let stand overnight to dry thoroughly. Makes 10 big or 14 small

## GROOMING NEWS

Spring is coming and I know all of you are very excited for warm weather to finally come and stay awhile. Did you know that dogs have two shedding seasons, fall and spring? All dogs shed. It is a natural process that allows new hair to grow in. It is very important during this time to get your dog groomed, brushed or bathed. The more hair we can remove using our de-shedding system, the less hair you will see around your home. Schedule an appointment with one of our two groomers, Elisabeth Specht or Kristine Jackson. **Plus, during the month of March, book your appointment and your dog will receive a free facial!**
