

ANGIE'S LIST

I am very pleased to tell you that a client put Paws In Time, Inc. On Angie's List, which is a referral network for people looking for various service providers. In order to be accepted on the list, the service provider has to receive a report card of "B" or better, and I am proud to tell you that Paws In Time received straight "A's" on all areas. If you would like to check out Angie's List, you can go on line at www.angieslist.com and become a member. There is a one time set-up fee of \$10 plus a monthly or annual membership fee, with a 100% guarantee.

LUCI

DOG OF THE MONTH

Congratulations to Luci Geertz on being chosen "Miss May". Her parents are Dave and Jennifer Geertz from Hinckley. Luci, a dalmation, was one of our first new clients when we moved to the new building in November 2005. Unlike many dalmations, Luci has a very mellow personality and with her bright pink collar showcasing her spots, she is a stand out at Paws In Time. She is friendly and lovable, and particularly loves kisses on the side of her face. She is loved by dogs and staff alike. One thing mystifies us all about Luci...in spite of spending several days a week playing with lots of dogs here at Paws in Time, she is always pristine and smells fabulous! Say hello to Luci if you see her! (and give her a sniff...we are not kidding about her lovely smell.)

MORE TURF

Some very exciting news for our doggy friends...we have begun the outside expansion of the play area. This will add an additional 3,600 square feet of really nice outdoor play space for your dog. I have purchased a specially designed doggy Astroturf to cover the entire area, as well as much of our existing outdoor area. This will help cut down on dirt, and wear and tear on our friend's soft little paws, and will give us a lot more space to play! So as you drive around back behind the building, you will see the new posts being set and the fencing being moved back. The entire project should be completed in the first two weeks of May-just in time for the summer. I will also be adding some new outdoor play equipment in the new space so the dogs will really have fun out there! Thank you for your continued loyalty, because with you, this would not be possible.

We can't wait!!

FRODO

CHECK IN TIME

In an effort to minimize lobby confusion and to help us be as organized as we can AND give your dog some time to settle in before the end of the day here, we are asking you to plan to check your dog in for boarding between the hours of 8 am and 2 pm. Please help us in this effort. If you need to make special arrangements, please let us know. However, the latest we will take any check in is 4 pm. Thank you for your understanding in this effort.

SPRING BREAK SUCCESS

PHOTO GALLERY BALANCING ACTS

I am so happy to say that we have made it through our second Spring Break Blowout with absolutely no problems. We had a fully booked kennel for two weeks straight and entertained 100 dogs every day on the daycare floor for 2 1/2 weeks with no one getting hurt or sick. I truly attribute this tremendous success to the fabulous staff of people working with your dogs every day. They are some of the very best dog loving people you could want with your dog on a daily basis. They absolutely love to play with them and are so incredibly conscientious about their overall well-being. I believe that our staff treats every dog as if he or she were their own. They work with the shy ones, one on one if necessary, to ensure their comfort level and try and bring them out, and correct the undesirable behaviors in others in a straight forward, loving manner. I don't think I need to mention the non-stop ball chucking for those over-achievers who never slow down. Thank you all again, for trusting us to take care of your dog during those busy travel times. From all of us at Paws in Time, "It's not a job, it's an adventure!!"

Duke, Buddy, and Riley are smiling, along with others, because they love **Alex**...a long time employee. She is 19 years old, and talks to every dog as if she were their mom. She comes to work every day because she **loves** the dogs. Her dream is to have Boxer some day. Alex is full of love and adores the crazy ball players. We are lucky to have her.
