MS. MULLIGAN GRABOW

Ms. Mulligan Grabow is our Ms. May. Mulligan is a West Highland Terrier or a Westie as they are commonly referred to. Mulligan lives with her mom Kim and comes to play and stay here at Paws In Time quite frequently while her mom travels. Mulligan is the very embodiment of pure joy always ready to play either with the other dogs or with a ball. She never has a bad day. If ever you need a smile or someone to laugh with, Mulligan is your girl.

At Paws In Time, we offer you three different types of training: private in-home sessions, group classes, and a customized board-and-train program. The type of training you choose depends on your lifestyle and what you want to accomplish with your dog. All training is conducted by our founder, Julie Nelson.
